**DIRECTORS NOTES:** *This is my first attempt at directing a theater production and I have been delighted by this cast. I chose to audition all ages in hopes that children would come out and have a chance to experience Socorro Community Theater (SCT) firsthand. I have been an actor in some of SCT's productions over the years and each experience has been wonderful. I hope that you enjoy this light-hearted comedy and will tell your friends and family to come as well. Keep an eye out for future casting calls and try your hand at one of the many facets of theater here in our own dusty little town! ~ Darlene*
